PARENT NETWORK INFORMATION

The Parent Pledge is an important part of the PTO Parent Network. Your role in the network:

- By reading, signing and returning the Pledge, you are making an outward and public affirmation that you are committed to providing a supervised, safe and fun environment for students to gather and socialize in your home. Families making this pledge are noted in the Buzz Book by an asterisk (*) next their name.
- By using the NKMS Buzz Book as your tool for assuring that your child is gathering in a home that shares your concern for a safe and healthy environment.
- By joining the community of NKMS parents concerned for the welfare of ALL our children.

NKMS PLEDGE

- I will communicate with other parents regarding my child's activities.
- I will welcome communication from other parents regarding our children's activities.
- I will not allow gathering in my home when I am not present.
- I will not serve or condone the illegal use of alcohol, tobacco or other drugs in my home or on my property whether I am home or out of town.
- I will discuss this pledge with my child and be sure he/she understands the commitment I am making.
