

Hi Tillman Families,

We have been very pleased with the school supply program we started four years ago! **Once again we are offering families the opportunity to pay a one-time fee of \$30 per child that will cover the cost of all supplies (excluding a trapper keeper binder for 5th grade) for your child(ren) for the 2019-2020 school year.**

We **love** that this method:

- Eliminates waste (both in packaging and in unneeded supplies)
- Promotes equity as there are plenty of supplies for all students and all students have the same supplies.
- Allows us to foster relationships with vendors, often getting better prices and help with other projects throughout the year.
- Saves families time and money

If you would still like to purchase your own supplies, please contact the office, and we will send you a supply list.

Thanks – Your Tillman Staff

Child or Children's Names: _____

Parent's Name: _____

_____ I would like to participate and am enclosing \$30 per child.

* All students will have adequate supplies, even if this cost is not possible for your family at this time.

_____ I would like to sponsor or partially sponsor a Trailblazer who may not be able to afford school supplies. Here is my additional donation of _____.

Total Amount enclosed: _____

* Please make checks payable to the "Kirkwood School District".

We greatly appreciate your support of this program. The funds raised are solely dedicated to the purchase of school supplies throughout the year.
