

Keysor Elementary

Life Safety & Security:

- Increase security level of main entry and other exterior entry points.
- Improve access controls on exterior entry / doors.
- Improve security when gym is rented out to a third party to restrict access to full school.
- Expand coverage of security lighting and cameras on exterior and interior.
- Install additional gates on enclosed outdoor areas.

Learning & Curriculum:

- Provide six (6) additional classrooms for increased enrollment and to allow for grouping of grade levels. Allows for permanent home of a motor lab.
- Provide multi-use space for learning activities.
- Provide (8-10) spaces for small group instruction.
- Wifi coverage improvements needed.
- Additional power outlets and computer charging stations.
- Upgrade HVAC system and building envelope insulation.

Accessibility & Inclusiveness:

- Upgrade kitchen to be able to prepare food. Current system allows for heating up meals and cleaning dishes/produce.
- Provide additional elevator on south side of building to allow better access and circulation.
- Upgrade interior signage for wayfinding.
- Provide connection between main office and nurse office.
