

North Kirkwood Middle School

Life Safety & Security:

- Enclose hallway from orchestra area to school.
- Improve perimeter fencing and access control to site as a whole.
- Improve tunnel safety.
- Improve access controls on exterior entry / doors.
- Expand coverage of security lighting and cameras on exterior and interior.

Learning & Curriculum:

- Science teachers do not have adequate space for curriculum. (3) Old computer labs have been converted to traditional classrooms due to space constraints. 3-5 classrooms still needed for science and core curriculum.
- Adequate band space needed. Band currently using hallways and closets for practice space. Program is growing at a rapid pace.
- Large multi-purpose meeting space. Gym space could function but needs better sound system and acoustics.
- Provide adequate space for fitness activities.
- Provide storage for educational/fitness/musical needs.
- Provide staff resource/work area.
- Additional power outlets and computer charging stations.
- Upgrade HVAC system and building envelope insulation.

Accessibility & Inclusiveness:

- Cafeteria capacity is a large issue for students and size limits district level events.
- Renovate restrooms to comply with accessibility concerns. Additional restrooms needed for both students and staff. Staff does not have dedicated restrooms.
- Provide lift access to stage.
- Storage has been limited due to district personnel occupying former school spaces.
- Provide additional parking and lighting on existing parking.
- Upgrade interior signage for wayfinding.
