

North Glendale Elementary School

Life Safety & Security:

- Provide improved bus drop zone on Chelsea Ave.
- Increase security level of main entry and other exterior entry points. Main entry needs to provide additional waiting area for visitors.
- Improve access controls on exterior entry / doors.
- Improve storm hardening areas.
- Install fencing at Northwest corner of site.
- Centrally locate staff resource center / lounge.
- Coordinate potential road improvements with crosswalk location and traffic signal.
- Expand coverage of security lighting and cameras on exterior & interior.

Learning & Curriculum:

- Provide three (3) additional classrooms for increased enrollment and to allow for grouping of grade levels. Allows for the addition of a motor lab.
- Provide multi-use large space for all school events and performances.
- Provide space for small group instruction.
- Additional power outlets and computer charging stations.
- Upgrade HVAC system and building envelope insulation.
- Update restroom lighting, finishes, and fixtures.

Accessibility & Inclusiveness:

- Provide accessible stair and elevator to lower level classrooms.
- Repair or replace all lifts.
- Provide additional staff / visitor restrooms (ADA compliant).
- Upgrade interior signage for wayfinding.
- Provide lift in gym for storage.
