

## **Robinson Elementary School**

### **Life Safety & Security:**

- Improve security of main entry and vestibule / main office.
- Improve drop off / pick up process. Potential cross walk at Couch Ave. with traffic controls.
- Expand coverage of security lighting and cameras on exterior and interior.
- Improve access controls on exterior / entry doors.
- Provide storage for portable stage so removed from corridor.

### **Learning & Curriculum:**

- Provide additional classrooms for growth and alternative uses, special education resource rooms, pre-school, motor labs. Additional rooms allow for grade levels to be located together. Provide additional storage internal to classrooms.
- Provide additional restrooms for students and staff near classrooms.
- Provide multi-purpose commons area for all school gatherings if possible and performances with potential stage. Should have areas for small group learning and quiet study.
- Expand cafeteria to reduce number of lunch periods and early / late lunch times for students.
- Upgrade HVAC system and building envelope insulation.
- Provide additional staff offices and meeting spaces and relocate from existing tunnel location.
- Additional power outlets and computer charging stations.
- Provide connecting corridor from North wing to cafeteria for improved flow.
- Improve acoustics between Music rooms and adjacent areas.

### **Accessibility & Inclusiveness:**

- Replace existing lifts with ramps where possible.
- Repair existing elevator for greater dependability.
- Provide outdoor storage / custodial area.
- Repair asphalt areas for entire school.
- Additional accessible playground area required.
- Provide additional stair for secondary access to basement areas.
- Provide accessible restroom for outdoor activity areas.
- Provide low sinks and toilets in kindergarten classrooms.
