

Good Morning Robinson Families-

I hope this email finds you well. As promised, when we have information finalized we will be sharing it with our families in a timely manner.

Our teachers have finalized their at home learning (first nine weeks of online learning) supply lists. Please purchase the list of supplies attached below. We will use all of these supplies before the end of the year.

Many grade levels have a few additional supplies that need to be purchased for this year. Please purchase these additional supplies prior to beginning online learning.

Play dough (2 or 4 pack)

10 dice

1 deck of cards

First Grade-

2 colored ink pens

Pencil sharpener

Second Grade-

1 pencil box

Crayons

Eraser

Two colored ink pens

1 additional composition notebook

(3 were on the original list, and now we need 4)

Sticky Notes

PTO is working with a school supply company, Bright SchoolKitz, to provide families an opportunity to purchase all of their school supplies with a click of a button. Once ordered, the supplies will be shipped directly to the student's address within 2-3 weeks. This option would allow families to purchase supplies without having to go into stores or find each item independently. We hope that you will find this service to be convenient and efficient. The additional supplies for online learning can be added at checkout as an "add on" to the school supply list that automatically goes into your cart. Please visit the website to view supplies and prices. www.schoolkitz.com

We wanted to communicate this list of supplies in a timely manner. We did not plan for learning to be in the virtual format when we had created our original list. If your family needs support securing school supplies for online learning, please email your child's counselor (K-2 students, indria.harris@kirkwoodschoools.org and 3-5 students julie.cohen@kirkwoodschoools.org) and we will ensure that you have all the supplies needed to ensure your child's success.

Thank you for your flexibility and support. We are looking forward to a great school year!
Please email me with any additional questions or concerns.

Take Care-
