The ABC's of Middle School

A

ASSEMBLIES

Assemblies will be held at various times throughout the school year. The purpose of assemblies is to give students an opportunity to perform as well as see the talents of their peers. Some assemblies will feature groups from outside our school. Appropriate behavior is expected. Student attendance at assemblies is viewed as a privilege.

ATTENDANCE

Reporting an Illness or Absence:

If a student is ill, parents are asked to call their school's main office as early as possible after 7:40 a.m. In order for a student to be excused, a parent or guardian must call or write a note. Any student who has been ill should not return to school until his or her temperature and or other symptoms (diarrhea or vomiting) have subsided for 24 hours. Parents are asked to call in each day your child will not be attending school. Students must be at school to attend any after-school activity or ceremony.

Tardiness to Class During Day:

Students are expected to be in all their classes on time. Teachers and staff sending students late to their next class should provide the students with a pass. Students who are late to class without a pass will be admitted to class and counted as tardy.

Consequences (per quarter):

1. Offense 1 through 3: Teacher discretion (may include a detention).
2. Offenses 4 through 5: A detention will be assigned by the teacher and will be served in the ISS (in-school-suspension) room from 3:00 p.m. to 3:55 p.m. on Tuesday, Wednesday, or Thursday. The teacher will call home for any detention assigned.
3. Additional Offenses: Referral written to administrators; a phone call to parent, detentions, and or ISS.

Tardiness to School:

All students are to be in their assigned classrooms ready to work by 8:00 a.m. Any student who is at school but not present in the classroom at this time is tardy (see tardiness to class during school day). If the student arrives at school after the 8:00 a.m. bell, he or she must sign in at the main office and receive an admittance slip to class.

Please contact your school's main office for specifics on early dismissal, scheduled dismissal or absence, reporting an illness or absence, excessive absences, tardiness to class, tardiness to school and possible resulting consequences.

AWARDS

Gold N Award:

This scholastic award is given to all grade 8 students who have earned an average rubric score of 3.4 or above. This score is calculated after the 3rd quarter of grade 8.

B

BEHAVIORAL EXPECTATIONS

We expect a great deal of Kirkwood students, and they consistently meet our expectations. Kirkwood Pride expectations center around Respect, Responsibility, and Safety. They are taught and re-taught as necessary. Social skills and learning behaviors are developed around specific grade-level expectations. We encourage learners to do their best work at all times. We learn, achieve, and work together in order to make our schools a better place for all to learn.

Please contact your child's school to learn more about their specific philosophy and best practices.

BEHAVIORAL EXPECTATIONS - ELECTRONICS & NON-EDUCATIONAL ITEMS

Students are not to bring, buy, sell, or trade non-educational items at school. Items such as iPods, cell phones, and electronic games in use will be confiscated and may be picked up from the office at the end of the school day. Students are not permitted to use cell phones during the school day. Infractions will result in cell phones being confiscated. Parents may be asked to retrieve the cell phone.

BUS EXPECTATIONS

Some bus basics include:

1. Only students who live 1.5 miles or more away from school or in an area that is designated a hazardous route qualify for free transportation to and from school. (see special note in item 4 below.)
2. Students who do not qualify for bus transportation are NOT permitted to ride the bus to a friend's house.
3. Any student who misses the bus should come to the office and a call will be made to the parent to arrange transportation home.
4. Bus passes may be available to families that are just short of the free transportation threshold. Families can contact the Safety & Security Office if they are interested.
- 5.

Kirkwood schools support bus safety and wish to assist students as they make positive choices before and after school. It is our opinion that time spent in transit should be viewed as an extension of the school day and we try to support children and drivers in their safe transportation. In accordance with this belief, it is important that students face logical consequences for inappropriate choices made while riding the bus. Students who make poor choices deserve the opportunity to learn from their mistakes, but it is our responsibility to ensure safe transportation for all students.

Please note: Serious bus behaviors may result in additional consequences at school. For example, if a student is fighting on the bus, a disciplinary action may be prescribed in accordance with the Student Discipline Policy (located under [JG-R1](#) of school district policies).

C

COMMUNICATIONS BETWEEN HOME AND SCHOOL

The Kirkwood School District strives to provide the best technology and communication paths between our students, teachers, families and the District. The following is a list of platforms we are using in the 2021-22 school year to improve communication and student learning.

The KSD App organizes all communication resources in one convenient location. The App provides calendars of school and district events, staff contact information, links to communication tools listed here, and media streaming from Facebook and Twitter. **Download the KSD App from the Apple Store or the Google Play Store.**

Schoolology – (skoo-luh-jee) Learning Management System

Schoolology allows our students, teachers, and families to connect with each other using a secure platform. As part of our effort to streamline communication for families, Schoolology will be the go-to source for learning. Schoolology allows users to create, manage, and share resources. It replaces eBackpack.

Infinite Campus – Student Information System

Our middle schools and high school use Infinite Campus for online grade reports.

My School Bucks – Online Payment System

Set up and pay for student meal programs, iPad or laptop insurance, activity fees and various other related purchases with My School Bucks.

First View – Bus Transportation Monitoring System

Know the location of your student's bus, estimated arrival times at your student's stop and the bus's arrival or departure from school with First View.

KSD Mass Notification System

The District and schools may utilize auto calls, emails, text messages, e-newsletters, and mailed postcards to communicate with families and the community.

KSD Website – School and District Information (www.kirkwoodschools.org)

Visit the KSD website for calendars of school and district events, general school and district information, cancellation information, emergency information, student handbooks, family resources, staff contact information, Board policies and protocols, school district boundaries and maps, etc.

PeachJar – Flyer Distribution

This is an electronic flyer communication and a delivery tool. It allows schools and community organizations to save paper and reduce copy costs by thousands of dollars. It also reduces the number of flyers sent home in students' backpacks. All flyers from community organizations will be posted on your school website and sent directly to your email. To view school-approved flyers, simply click the PeachJar button on your school's website homepage.

To ensure smooth delivery of this communication, add school@peachjar.com (or your district's selected "from email address") to your email contacts. When you receive your first e-flyer be sure to check "always display images".

This system is used exclusively for distribution of school-approved flyers. Your email address will not be shared or used for any other purpose. You may also unsubscribe from PeachJar emails. Unsubscribing means you may miss out on important information about school events and opportunities for your child.

Social Media – Twitter and Facebook

Social media is used for sharing information about school and district events, community activities, and schedule and time changes. Social media may also be used as a communication tool in a crisis situation, because posts appear immediately. The district Facebook page is www.facebook.com/kirkwoodschooldistrict. Follow us on [twitter@kwoodschoools](https://twitter.com/kwoodschoools).

For more information, please contact KSD Community Relations and Development at news@kirkwoodschoools.org.

COPYRIGHT

What do students need to know to protect themselves from copyright violations?

Did you know?

1. Computer software violations are a felony.
2. Compiling video clips from several different videos is a violation of copyright guidelines.
3. Information found on the Internet is copyrighted unless accompanied by a message explicitly permitting duplication.

Steps to Take to Copyright Compliance

1. Plan projects in advance of the deadline allowing time to request permission from copyright holders. Ask your teacher or library media specialist for a sample letter requesting permission from the copyright holder.
2. Do **not** assume you may use any and all material without asking for permission.
3. There are guidelines for print, audiovisual, video, multimedia, music, and others. Students are permitted to use limited amounts of material without permission.

COUNSELING SERVICES

Middle schools are staffed with three school counselors – each grade specific. A counselor is assigned to each grade and meets weekly with the team faculty members. Counselors help all students in their academic and social development, while providing important information to students, parents, and teachers regarding early adolescence. The counselors help teachers plan special activities in the classroom, lead discussion groups, give tests, and explain test results to parents and or students. They are also available to assist students with any problems or questions they may have. Students may stop at the counseling office before school, after school, between classes, or during class with teacher permission.

To contact your school's grade-level counselors, please call the main office.

Educational Support Counselor Services:

An Educational Support Counselor (ESC) supports our school's Counseling Department. The ESC's role is to assist the school counselor in providing emotional and behavioral support to students. The ESC is a Licensed Professional Counselor provided through a partnership between the Kirkwood School District and the BJC Behavioral Health Services. Services include anger management training, social skills education, small group facilitation, one-on-one therapeutic support, resource referral, home-based services, and case management. ESC services are designed to be short-term support interventions; however, if on-going services or additional resources are recommended, you will be contacted.

Should a student, parent, teacher, staff member or administrator identify a significant concern about a student's emotional status, please follow these procedures:

1. Contact the school counselor to assess the need for an ESC referral.
2. The school counselor will determine if the need warrants more significant intervention.
3. The school counselor will initiate referral to the ESC.

The ESC will maintain an active caseload that will be shared with the administrator and counselor on a regular basis. The administration will be notified of all referrals made to the ESC program.

School Social Workers:

School Social Workers are trained mental health professionals who work within the school setting to strengthen the social and emotional wellbeing of all students in order to enhance academic and personal goals.

Specialized services provided by the school social workers include:

1. Brief student counseling
2. Provide crisis intervention and trauma-informed intervention
3. Home visits
4. Parent education

CURRICULUM

Core:

Our core curriculum provides students with the skills and concepts they need to be successful in every content area. The core curriculum includes English language arts (ELA), social studies, mathematics, and science. All students participate in this core program.

Your home school's main office can provide more curriculum information for core classes, Encore classes, wellness, Special Program, Reading Extension classes, and World Language classes.

Exploratory and Wellness Programs:

Exploratory activities provide an opportunity for students to investigate a variety of activities in the aesthetic arts, practical arts, and modern languages. The sequence involves experiences in these areas with the eventual opportunity for some student selection of electives. The Wellness program is a combined curricular offering of health, physical education, and fitness.

D

DISCIPLINE

The role of the Kirkwood School District (KSD) staff is to ensure all students learn in a safe, respectful, effective, nurturing environment. This environment includes Kirkwood schools and school-sponsored events, busses and bus stops. Behaviors that affect the safety of others or disrupt district events or the normal course of running school may be addressed by this policy, even if such behavior occurs off school property. The purpose of discipline is to provide opportunities for students to develop empathy, learn and practice self-regulation skills, and learn pro-social behaviors.

Out-Of-School Suspension (O S S):

Students may be suspended from school for serious or chronic infractions. Suspensions of up to ten days may be assigned by the principal or assistant principal. Recommendations for suspensions of over ten days or expulsion will require a hearing with the superintendent or assistant superintendent. **During the time of a suspension, the student is not permitted on any Kirkwood School District property.**

Complete information on detentions, lunch detention, I S S (in-school suspension), O S S (out-of-school suspension) are available by calling your home school's main office.

Visit the district [website for complete details on serving as a district volunteer or chaperone](#).

FOOD SERVICE

Chartwells School Dining Services manages the food service department at Kirkwood School District and follows the USDA regulations for school food service. Following is an overview of what your student can expect to see in their school cafeteria.

At the high school and middle school, we will continue to offer premium meal options in the café! Premium meal options will provide the students more variety and flavors using whole muscle meats and fresh seasonal sides such as watermelon, pineapple, and specialty salads. Students eligible for free and reduced meals can select a premium meal at no additional cost. The premium meal pricing is reflected with the Tier 1 and Tier 2 Lunch options.

Fruits and Vegetables

A large variety of nutrient-dense vegetables, including dark green, red-orange, starchy and legumes and fresh, frozen, and canned fruits will be offered. Students are required to take 1/2 cup of fruit or vegetable for their meal to be considered a full meal. Colorful fruits and vegetables provide essential vitamins and minerals important for growth and development during childhood. Garden bars are offered at all schools. Local produce is included during our harvest season.

Grains and Proteins

Menus will offer specific amounts of whole grains and proteins. This is intended to make sure students are receiving age-appropriate, nutritionally-adequate meals that provide the right amount of energy from healthful food sources. Everything we offer contains at least 50% of whole grains (items like whole grain pizza crust, rolls, muffins, pancakes, waffles and low-sugar cereal.)

Lower Sodium

We will continue to work with food manufacturers to lower sodium in products. Chartwells chefs and registered dietitians have modified and developed creative new recipes using non-salt seasonings, herbs and tasty fresh foods.

Reduced Fats

Unhealthy fats such as saturated and trans fat can lead to heart disease and high cholesterol, as well as other chronic diseases. Only food products and ingredients that contain zero grams of trans fat per serving will be offered. No foods are fried.

Menus by Age Groups and Nutritional Information

Grade groups for menu planning are aimed at ensuring students receive age-appropriate portions and nutrients. Calorie requirements are aligned with these grade groups. Menus are available online at <http://kirkwoodschoools.nutrislice.com/>

The online menu is interactive and allows you to filter out menu items containing the 8 most common food allergens and provides nutritional information including carb counts. Download the Nutrislice App to check the menu from your mobile device!

5. Acting as a resource for the classroom, for staff, for the MTTS Team, and for parents and students with particular health needs.
6. Supervising the administration of medication and or medical treatments.
7. Monitoring attendance and clinic visits daily in order to assure the safety of students and to be aware of patterns of communicable illnesses within the school population.

You can assist the school nurse by:

1. Keeping student home if they are running a fever of 100.4 degrees or more, vomiting, and or seem too sick to benefit from school programs.
2. Sharing medical information that might affect your child’s performance at school in any way.
3. Notifying nurse of immunization boosters and the results of physical and dental exams.
4. Notifying grade level secretary of any changes in the information on the student’s emergency contact list.
5. Completing the online annual update of student medical information.

Allergies:

If your child has allergies, please provide a list of all allergies (and any special instructions on how to handle an allergic reaction) to your child’s teacher and or school nurse.

Communicable Diseases:

If your child is exposed to or contracts a communicable disease, please report this information to the school nurse. We are required to notify all families when a child contracts a communicable disease, such as chicken pox, measles, etc. (Your child's name will be kept confidential.)

In some cases, you will need to provide written verification from your child's pediatrician stating that the condition is no longer contagious and that it is safe for your child to attend school.

Hearing Tests:

The hearing of students in grades K, 1, 3, 5, 7, 9 and 11 plus all new students, is screened annually by the Special School District. If teachers or parents make referrals during the year, the school nurse will screen them. Parents will be notified if follow-up is recommended.

Immunizations:

It is the policy of the Kirkwood School District that all students attending the district schools shall be immunized in accordance with law. Students cannot attend school without providing satisfactory evidence of immunization, unless they are exempted from immunization and provide proper documentation of exemption.

A student is exempted from obtaining immunizations if the district has on file the completed original forms necessary to prove that the student will not be immunized for religious or medical reasons. To protect inadequately vaccinated individuals and the entire community, unimmunized students could be excluded from school during disease outbreaks.

Medical Immunization Exemption - An exemption for medical reasons requires certification by a licensed doctor of medicine or doctor of osteopathy that either the immunization would seriously endanger the child's health or life or that the child has documentation of laboratory evidence of immunity to the disease. An original of the MO Department of Health and Senior Services form I m m.P.12 must be on file at school with the immunization record.

Religious Immunization Exemption - An exemption for religious reasons requires written certification that immunization of the student violates his or her religious beliefs. Religious exemption cards must be obtained from the MO Department of Health and Senior Services. The original Form I m m.P.11A card, as is required by law, will be retained in the student's school health record.

Medications:

All medications (including over-the-counter medicine) should be kept in the Clinic to be supervised by the nurse. Medications should be in the original pharmacy RX bottle. Over-the-counter medicine should be in the original container. They are to be brought to the Clinic with a note or consent form. The consent form should be signed and dated by the student's parent or legal guardian.

Missouri Department of Health Regulations:

These guidelines are based on MO Department of Health's Prevention and Control of Communicable Disease. Students with the following symptoms will be excluded from school.

1. Chicken Pox: Until all blisters have scabbed, usually five to seven days after rash begins.
2. Conjunctivitis (Pink Eye):
 - a. *Purulent Conjunctivitis* (redness of eyes and or eyelids with thick white or yellow discharge and eye pain) Exclude until appropriate prescribed treatment has initiated, or discharge has stopped, unless a doctor has diagnosed it as non-infectious.
 - b. *Non-Purulent Conjunctivitis* (redness of eyes with clear, watery discharge. No pain or fever or eyelid redness) No exclusion necessary.
3. Diarrhea-Free of diarrhea for 24 hours.

4. Fifth Disease (Parvovirus) No exclusion necessary. When rash appears, it is no longer contagious.
5. Hand, Foot, and Mouth Disease: Until fever is gone and child is well enough to participate in school.
6. Head Lice: If live lice are present, exclude until first treatment has been completed and no live lice are seen. School nurse will assess student upon return to school.
7. Impetigo: If impetigo is confirmed by a healthcare provider, exclude until 24 hours after prescribed treatment is completed. Lesions on exposed skin should be covered with water-tight dressing.
8. Mononucleosis: No exclusion necessary. Student may return upon feeling well enough to participate in school.
9. Ringworm: Until treatment has been started. If the lesion cannot be covered, or the lesion is on the scalp, until 24 hours after starting treatment.
10. Scabies: Until 24 hours after treatment begins.
11. Strep Throat or Scarlet Fever: Until 24 hours on prescribed antibiotic treatment begins and student is fever free.
12. Vomiting: Vomiting two or more times in the previous 24 hours, unless determined to be caused by a non-communicable condition and the child is not in danger of dehydration.

Vision Tests:

The school nurse may administer a vision test for students in grades K, 1, 3, 5, 7, 9 and 11 and new students. Parents are informed if follow-up is recommended.

HIGH SCHOOL CREDIT

Students who successfully complete Algebra 1 and or a full year of a course in one of the world language classes will be eligible to receive high school credit for their academic work. Students will receive a grade for these courses, and the academic letter grade will be a part of their high school GPA. High school grading and GPA equivalent is as follows:

Grade of A = GPA 4	Grade of C = GPA 2
Grade of A minus = GPA 4	Grade of C minus = GPA 2
Grade of B+ = GPA 3.5	Grade of D+ = GPA 1.5
Grade of B = GPA 3	Grade of D = GPA 1
Grade of B minus = GPA 3	Grade of D minus = GPA 1
Grade of C+ = GPA 2.5	Grade of F = GPA 0

HOMEBOUND INSTRUCTION

Students who are absent from school for extended periods of time or who have intermittent absences due to illness or disability may be eligible for homebound instruction. Kirkwood School District partners with Special School District staff to provide up to five hours per week of homebound instruction when it is needed. Applications for homebound instruction can be secured from the guidance counselor in your building or in the Office Student Services.

HOMEWORK PRACTICES

You should expect your child to devote an average of one to one and one-half hours per night on work completed at home. This may vary during the course of the year depending on special projects or assignments. Teachers will provide you with more specific guidelines as they relate to the expectations of their classes. The purpose of assignments includes: providing teachers with evidence of student learning, extending the practice of skills, reviewing material, extending the classroom learning, or completing a project. Students should understand and be able to explain the purpose for the assigned homework. Homework, especially for practice and formative assessment, may not be recorded for a grade.

We believe that learning is important and should continue after school hours. Regular homework is a means to reinforce, encourage, and extend the learning experience. If a student has been absent from school, he or she will need to talk to their teachers in order to make up work. Teachers may be emailed at any time with questions.

iPADS

Kirkwood School District is excited to loan middle school students an iPad, heavy-duty case with keyboard, cord and charger for their use during the school year. This is seen as a tremendous opportunity to personalize learning for students and help develop future-ready skills.

iPads are to be kept covered and handled carefully. Students will be charged fines for lost or damaged iPads, cases, cords, and chargers. **Note: If the case is removed or badly damaged, insurance will NOT cover the cost of repairs.**

Infractions:

Technology infractions will be handled in accordance with the Student Discipline Policy located under [JG-R1](#) of school district **policies**.

Safety:

All middle school students use technology (laptops, iPads, printers, etc.) on a regular basis. To ensure academic success in the electronic age, Nipher students are provided with the most modern technological equipment available (Macbooks, iPads, etc.) in their classrooms. Technology is used as a tool for inquiry, research, development, and publication.

Please remind your child that downloading apps is a process that only occurs at school through the proper procedures. We ask that students take care of the equipment they are issued and use it in a responsible manner. Students who do not comply with the technology expectations may lose the privilege of using the equipment. For a nominal fee, [iPad insurance](#) is available through the Kirkwood School District.

Insurance Payment:

The Kirkwood School District expanded the use of www.myschoolbucks.com, which was used for online lunch payments, to include iPad and laptop insurance fees, activity fees, etc. The site may be accessed through the Kirkwood School District website, <http://kirkwoodschoools.org>. If you currently have a My School Bucks account, you can login and access the school store on the top of the page. If you do not have a My School Bucks account, you may create a free account.

To pay for iPad or laptop insurance, lunch fees, and activity fees through your My School Bucks account:

1. Log in to www.myschoolbucks.com, or create a free account.
2. Click School Store at the top of the page and select Browse All Items
3. Choose the Store item and add it to your cart.
4. Check out!

Parents can also download the MySchoolBucks app to set up an account and make payments. Those who prefer to not use our online payment option can pay via cash or check, working directly with the school office.

LIBRARY SERVICES

All students are encouraged to use the library between 8:00 a.m. and 3:00 p.m. When not accompanied by a teacher, each student must have a pink slip or pass. Books may be checked out for a two-week period. Magazines and certain encyclopedias may be checked out overnight. Students have a responsibility to return books when they are due.

Borrowing materials from the library is a privilege, and the prompt return of library materials is necessary so that all students may have equal access. There are no daily overdue fines, but students may not check out new books or magazines if they have overdue books.

Standard check-out period is two weeks. Books may be renewed if no other patrons have requested a hold. There are no daily overdue fines, but students may not check out new books if they have an overdue book. Replacement fees are charged for lost or damaged materials. Consequences may be required for students who do not pay for lost or damaged books. E-mails are automatically sent to students and families every week to let you know if there are any overdue items.

In order to establish consistency in the district and to maintain and update the condition of our collection, the following is required:

1. Fees for lost books will be the original purchase price rounded up to the nearest dollar. Fees charged for lost magazines will be \$4.00.
2. When the original price is not available, patrons will be charged a minimum of \$12.00 for hardbacks and \$5.00 for paperbacks.

Fees may be paid in cash, or by check made out to KSD.

LOST AND FOUND

Please mark coats, lunch boxes, etc., with your child's name. If the clothing is marked, we can help find the owner. Encourage your child to look in the lost and found area designated in their school. Small items and jewelry are kept in the office. Unclaimed items will be donated to local charities on a periodic basis, so please check the lost and found often for missing items.

M

MEDIA COVERAGE

Because of its excellent reputation and innovative programs, the Kirkwood School District is often the focus of media attention. Throughout the school year reporters for television, radio, newspapers, and other media outlets may visit any of our schools. They will cover stories as part of the local news or as features that highlight school activities and special events. In addition, the district's Community Affairs Office produces several publications featuring photographs and interviews with students and staff. If you do not want your child to be included in media publications, please make sure to alert the school office.

P

PARENT CUSTODIAL ISSUES

We cannot deny a parent access to his or her child unless we have a copy of a current court order. It is essential for a custodial parent to notify the principal when there are legal restrictions regarding releasing the child to the non-custodial parent. This information must be on file in the office to guarantee guidelines are followed correctly. Please contact the principal if you have any questions.

PARENT TEACHER CONFERENCES

Communication between a student's home and school is critical to student success. We continue to seek better and more meaningful ways of connecting with parents and families. These important conferences will focus entirely on your child and allow parents and teachers time to talk with and learn from each other. Kindergarten families will participate in home visits scheduled by the classroom teacher.

Parents are encouraged to contact the school at any time to discuss their child's progress. You will have the opportunity to review progress through conferences and report cards, but additional dialogue is always welcome. Informal conferences are encouraged; we ask that arrangements be made between the teacher and parent to find a mutually suitable time.

Contact your school's main office or visit their website for the current schedule of conferences and report cards.

PARENT TEACHER ORGANIZATION (PTO)

All parents or guardians are invited to attend and are encouraged to participate in our active Parent-Teacher Organization. During the school year, scheduled P T O meetings will be held on school premises. Unless otherwise noted. Your school's main office can provide you with dates and the names of parents serving on PTO.

PETS

As per the Kirkwood School District Coordinator of Safety and Security, family pets should not be on the school grounds during arrival and dismissal times. Also, some students may be afraid of or allergic to pets. **Please do not bring your pets on campus during arrival and dismissal times.**

Pets may be brought to school for educational purposes or in special situations such as celebrations. It is mandatory to have prior permission from the classroom teacher and school administration.

R

RELIGIOUS HOLIDAYS

All activities included in the instructional program will ensure that all students will feel included and comfortable. Student participation in any program or performance that may involve holiday material should be voluntary. Parents who believe a school activity is in conflict with their religious beliefs should alert the school in advance and a positive alternative will be provided.

RESIDENCY

In order to enroll in the Kirkwood School District, a student, the parent, legal guardian, military guardian, person acting as a parent, or the student must provide proof of legal residency in the district or request a waiver of proof of residency and must complete all admission requirements as determined by Board policies, regulations, and procedures.

One document from each List A and List B are required. Electronic documents are permissible if they are current and contain the information required for the district to verify proof of residence (date, name, address, applicable signatures, etc.). The district has the right to request additional proof at any time or to employ other means to verify residency. Under Missouri law, misrepresenting residency is a criminal offense. If a family's residency status is found to be inaccurately represented or changes without notification to the district, the district may act to recover the cost of services provided.

List A documents (submit one)

1. Deed/Closing Statement
2. Mortgage statement dated within 30 days of the date of submission

3. Unexpired lease or rental agreement signed by landlord and tenant and including the address, apartment number, and date of rental.

List B documents (submit one)

2. Real estate tax receipt dated within one year of the date of submission
3. Personal property tax receipt dated within one year of the date of submission
4. Occupancy Permit listing all the occupants of the residence

Parents may enroll their children before actually moving into the district, but they must apply in writing to the [Assistant Superintendent of Student Services](#)

When there is sufficient reason to suspect the legitimacy of residency, the Assistant Superintendent of Student Services will be notified.

State law requires that a student live in the district attendance area where he or she attends school. The students must live with a parent or legal guardian. Proof of residency may be asked for at the time of enrollment and throughout the school year. **Please notify your child's school main office if you move or are planning to move outside the district.** Students who live in the city of St. Louis are enrolled through the VICC office. The direct phone number is 314.721.8657.

REVIEWING YOUR CHILD'S RECORDS

As a parent, you have every right to review the records that the school keeps on your child. Please notify either your child's teacher or the school office that you are interested in reviewing your child's records. We collect the records and set an appointment time for you to come in to review them. If you wish, copies of the records may be made for you, but the originals cannot leave the school.

S

SCHOOL CLOSINGS, DELAYED OPENINGS, EARLY DISMISSALS

Families will receive a phone call from the District (using our Blackboard robocall system) announcing the decision to cancel school. Successful delivery is dependent on accurate contact information for each student. Should your contact information change, please notify your child's school immediately.

The notification to cancel or delay school will also be posted on the [Kirkwood School District website](#), [District Facebook page](#), and Tweeted on the District's twitter handle which is [@kwoodschoools](#).

Individuals who have downloaded the Kirkwood School District app will receive a push notification. You can download this free app in the [Apps on Google Play store](#), or the [iTunes App store](#).

SCHOOL SAFETY

Emergency Contacts:

If your child is ill or hurt during school hours and the nurse or principal thinks the student should go home, a family member or emergency contact person will be notified before the student is released. **Please make sure the school has up-to-date contacts and emergency pickup information for your child or children at all times.** It is essential that you notify the school of any changes regarding phone numbers of parents or guardians and emergency contacts. Adults picking up children should bring photo identification with them to the school’s main office.

Emergency Situation and Drills:

Students will participate in regular fire, tornado, earthquake, and [ALICE/Intruder](#) drills throughout the year. All teachers and students will be given information about safety procedures appropriate for such situations. In the event of an actual emergency situation, you may understandably want to pick up your child from school. Be sure to check the local news and radio stations, or our district website www.kirkwoodschoools.org for emergency information. NOTE: Emergency information will NOT be shared via Facebook or Twitter because not all families use those social media tools.

It is the Kirkwood School District’s goal to notify parents of an incident or crisis as quickly as possible. We strive to provide the most accurate and timely information. We ask that you remember that all of the KSD staff members care about your children. We know you are worried and anxious. We want to provide you with information without creating undue alarm or anxiety.

When an incident occurs at any of our schools, district personnel work to assist the school and the police as well as communicate with families. The District will use auto call, email, the web and social media sites to convey information. Social media sites are instantaneous, whereas an auto call or an email has a longer notification process.

We must communicate what we know – when we know it – without jeopardizing the safety of the people within the school. Please remember communication in a crisis is difficult. We will do our very best to be fast and accurate, knowing the possibility of human error exists.

PLEASE READ THE FOLLOWING FROM OUR DIRECTOR OF SAFETY AND SECURITY:

Dear Parents of KSD and Families,

Communication is key to keeping our schools safe and is important at all stages of a safety incident. It is so important when our students see, hear, or interact with other students about something that concerns them (at school, or over social media) that the student reports it to a trusted adult. These adults could be teachers, school staff members, principals, police officers or you, their parents.

Often major incidents can be avoided if critical information is provided. That information is anything referencing the potential for violence, a threat to school safety, or acts that could result in serious physical or mental harm.

To our parents we ask that if you are made aware of a safety or security concern, either through your student sharing or some other means, that you make the first step of reporting that concern to either school administrators, teachers or the appropriate law enforcement agency. Our KSD staff is trained to respond to safety concerns promptly and will involve law enforcement as needed. In event of an emergency, our school district has safety measures in place, including but not limited to:

- 1. Locked vestibules, doors, and perimeter safety***
- 2. Lockdown, evacuation plans, and reunification***
- 3. Visitor management policies and systems***
- 4. Security cameras in strategic places***
- 5. Coordination with emergency responders***
- 6. Communication via text, email, and voice call with families and community members***

We encourage you to take a few minutes to discuss our safety plans with your students and remind them of the importance of sharing any and all safety concerns with you, school staff members, or through other channels:

- 1. Courage 2 report 1-866-748-7047 tip line***
- 2. Local Law Enforcement 911***
- 3. Report to school resource officer***

We thank you for your support and partnership as we work together in making the Kirkwood School District and Community safe and a positive learning environment for every one of our students.

***Sincerely,
Martise Scott
Director of Safety and Security
Kirkwood School District R-VII
Office 314.213.6100 extension 1 4 0 0

Fire Lanes:

The Kirkwood City Council has passed an ordinance establishing fire lanes at all school buildings. The fire lanes are to be kept open and accessible at all times – please do not park your vehicles or leave them unattended in these marked areas (red painted curbs).

Handicap Parking:

All Kirkwood schools reserve several parking spaces for our visitors needing wheelchair access to the curb-cutout-ramps on our sidewalk. Please DO NOT park in a handicap space without proper identification in your vehicle. Violators will be towed.

Student Property:

Protect your property! Print your name in ink on all property for which you are responsible. Do not bring items of value or large sums of money (in excess of \$20) to school. The school does not assume responsibility for lost or stolen items. Valuable items are to be left at home.

Searches by School Administrators:

School lockers and desks are the property of the Board of Education and are provided for the convenience of students, and as such, are subject to periodic inspection without notice.

Students or student property may be searched based on reasonable suspicion of a violation of district rules, policy or state law. Reasonable suspicion must be based on facts known to the administration, credible information provided, or reasonable inference drawn from such facts or information. Personal searches, and searches of student property, shall be limited in scope based on the original justification of the search. The privacy and dignity of students shall be respected. Searches shall be carried out in the presence of adult witnesses, and never in front of other students. Students shall not be required to undress, although they may be asked to empty pockets, or remove jackets, coats, shoes and other articles of exterior clothing for examination if reasonable under the circumstances.

Lockers and desks assigned to students remain the property of Kirkwood School District and may be searched by school officials with or without notice. School officials will also call in law enforcement officials (including School Resource Officers) when they deem it necessary or appropriate or otherwise required by law. Those law enforcement officials may also conduct searches and take other appropriate action pursuant to their authority as law enforcement officials.

Traffic Pattern:

Many of our schools have an established traffic pattern to streamline and simplify morning and afternoon traffic. Please check with your school office for details specific to your building.

Weapons in School:

The possession or use of a weapon by any person, except where authorized by law, shall be prohibited in all school buildings, on or about school grounds, and at all school activities.

A weapon shall be defined as any instrument or device customarily used to attack or defend against an opponent, adversary or victim or any instrument or device used to inflict physical injury or harm to another person. Violators of this policy may be referred to the appropriate legal authorities. In addition, any student who violates this policy will be subject to suspension and or expulsion from school.

In accordance with federal law, any student who brings or possesses a firearm (as defined in 18 U.S.C. 921) on school property will be suspended from school for at least one calendar year and will be referred to the appropriate legal authorities. The suspension may be modified on a case-by-case basis upon recommendation by the superintendent to the Board of Education.

SCIENCE, TECHNOLOGY, ENGINEERING, ART, AND MATH (STEAM-Fest)

All Kirkwood students are encouraged to participate in the district STEAM-Fest, typically held in late March or early April. Students may make a collection, experiment, report, or project that uses science, technology, engineering, or math. Planning meetings led by the district science facilitator will occur in the fall – more information will be provided prior to these meetings. Check our [STEAM-Fest website](#) often for updates.

SOCIAL MEDIA AND CELL PHONES

Generally speaking, communication between and among students that takes place outside of school is not of concern to Kirkwood staff unless it is brought to our attention because there is a disruption to the learning environment and or to our students. If there are conflicts or disruptions brought to our attention, these will be addressed through our discipline guidelines. Common reasons for our involvement include name calling, bullying, and threats. Here are some examples to further clarify how our discipline guidelines and school procedures can intersect with student cell phones and internet activities:

Social Media:

Example #1: A conflict at school that begins with comments written on the internet will be evaluated according to our discipline guidelines. If the comments reflect name calling, bullying or threats, we will address these as if they happened at school or were written on a piece of paper.

Example #2: If students have identified themselves as Kirkwood School District students on social media sites, and it is brought to our attention that they have made comments which do not reflect our behavior expectations, the student may be investigated and or disciplined pursuant to our discipline guidelines.

Cell Phones:

Example #3: A phone that rings in class (call or text) can be taken by staff because we have explicitly asked that cell phones not disrupt the learning environment. Phones that are taken will be returned at the end of the day unless the phone is being held as evidence, or this is a repeated offense, which may require parent involvement.

Example #4: If, while responding to a disciplinary concern, there becomes a reasonable suspicion resulting in an investigation of student belongings (backpack, pockets), we may also search the calls, photos, and text records of a phone if the phone records relate to the disciplinary investigation.

Example #5: If a phone has been lost and is then found, we will read information in the phone in order to learn the identity of the owner.

We want parents and students to be fully informed that internet communication and cell phones will remain private until something causes us to have an interest in them and then we will review them in the same way we would review any other item thought to be posing a threat or disruption.

SPECIAL SCHOOL DISTRICT

Students who have been identified as having disabilities that interfere with their learning receive services from staff members of the St. Louis County Special School District. The special educational services provided are determined through an Individualized Education Program (IEP) process. Services provided in schools include specialized services, in-class support, learning center instruction, occupational therapy, physical therapy, adaptive physical education, and speech, language, and hearing support.

STANDARDIZED ASSESSMENTS

Middle school students participate in standardized testing in accordance with the [Missouri Assessment Program \(MAP\)](#). This testing gives our students the opportunity to show how much they know. KSD's MAP testing window for 2022 is available from your school's main office.

STAYING AFTER SCHOOL

The school retains the right to keep a child after school for either disciplinary or academic reasons. Parents and or guardians will be notified if this action needs to be taken.

STUDENT ACTIVITIES

Intramurals, Clubs And After-School Activities:

The Student Activities program represents a key component of the middle school curriculum. Activities focus on the development of social and physical skills and provide a wide range of activities that are based upon the interests and physical needs of middle school students.

All students who plan to stay for an after-school activity will need to pay a one-time “Activity Fee” of \$20. The activity fee is \$10 for students who qualify for free or reduced-price meals. To pay fees online, please access the www.myschoolbucks.com portal.

Contact the main office of your middle school for details on the variety of activities and possible transportation offered each semester to students of all grade levels.

STUDENT SUPPORT

MTSS Teams: *(Multi-Tiered Systems of Support)*

Effective supports and interventions must be readily available as soon as teachers become aware that an individual student is experiencing difficulty meeting or is greatly exceeding grade-level academic and behavioral expectations. In order to respond quickly, our schools have established school-based MTSS Problem Solving Teams. These teams utilize a structured problem-solving process to MTSS classroom teachers design – as well as implement and evaluate the effectiveness of intervention strategies when typical classroom strategies have not been successful. MTSS Problem Solving Teams convene at both the grade level for general intervention planning (e.g. grade-level planning of differentiated instruction, learning supports, social skill lessons) and at the building level for more focused individualized intervention planning.

When the identified concerns are significant or the response to general intervention is inadequate, the building-level MTSS team will convene. The building-level MTSS team is facilitated by a building administrator, school counselor, and school psychologist. It is comprised of classroom and instructional support specialists that may include:

1. Nurses
2. Literacy, resource, and gifted teachers
3. Educational support counselors
4. Occupational, physical, or speech language therapists
5. Directors of learning and innovation

These specialists have been trained in problem-solving and intervention strategies specific to academic and social, emotional, and behavioral needs. Parents are welcome to participate in the Building MTSS Team process for their child and are always informed of the plans designed by the MTSS team.

The Building MTSS team’s role is to conduct individualized problem-solving, research-based intervention planning, implementation support, data collection, and monitoring of the student’s response to interventions (RtI). Intervention plans often include small, flexible instructional groups which target essential skills and frequent curriculum-based progress monitoring. School-based specialists may include:

1. Occupational, physical, or speech language therapists
2. School psychologists
3. Special educators

The specialists may conduct in-class observations, collect progress monitoring data, help implement in-class interventions, or provide short-term instruction. Building MTSS teams use progress monitoring data to determine when more or less intense interventions are required in order to support the learning needs of the student. Parents are apprised of their child’s progress regularly and are notified whenever a

referral for formal evaluation needs to be considered. Parents should contact their school counselor through the main office for more information.

SURVEYING OF STUDENTS, PARENTS and GUARDIANS

Periodically, students are asked to complete surveys about curriculum, instructional activities, opinions on a variety of topics, personal likes or dislikes, personal preferences and activities, etc. Most of these surveys are written and used by the school district to evaluate matters significant to our program. Sometimes we are asked to administer surveys for other reasons such as a grant-funded program or someone's graduate research. The Kirkwood R-7 School District understands that some parents take objection to surveys which ask students to respond to questions of a personal nature. For this reason, we will notify parents in advance and request permission before any survey is administered which asks for personal information. Further, we will limit all requests to only those surveys we deem worthy of the time required for completion.

T

TECHNOLOGY

All students use technology (laptops, iPads, Activboards, etc.) on a regular basis. To ensure academic success in the electronic age, students are provided with the most modern technological equipment available (Macbooks, iPads, Activboards, Activotes, etc.) in their classrooms. Technology is used as a tool for inquiry, research, development, and publication. Students in grades 6 to 8 will have the opportunity to bring iPads home for continued learning and practice as part of their homework routine.

Please remind your child that downloading apps is a process that only occurs at school through the proper procedures. We ask that students take care of the equipment they are issued and use it in a responsible manner. Students who do not comply with the technology expectations may lose the privilege of using the equipment. For a nominal fee, [iPad insurance](#) is available through the Kirkwood School District. You can find information in your child's backpack mail and on your school's website.

TELEPHONE

Use of the office telephone should be reserved for emergencies. **Student cell phones should be turned off from 8:00 a.m. to 3:00 p.m. each day.**

TEXTBOOKS

The majority of textbooks are now electronic, but often hard copies of textbooks are available upon request. Textbooks are the property of the school and are to be returned to the teacher by whom they are issued. Teachers will identify the condition of the books when issued to the students and when the books are returned. Any new damage will be reported, and damaged books are to be paid for by the student. If a student loses a book, another book is to be issued. If the original book is not returned before the school year concludes, the student must pay the replacement cost.

VISITORS TO DISTRICT BUILDINGS

The Kirkwood School District uses the Raptor Visitor Management System in all our schools to strengthen our program of campus security for students and faculty. Part of keeping students and faculty safe is knowing who is always in our buildings, and the Raptor system will allow us to do that. The Raptor system will better allow us to screen visitors, contractors, and volunteers in our schools and provide us with a more secure environment for our students and staff.

Upon entering a district building, visitors will be asked to present an ID such as a Driver's License, which can either be scanned or manually entered into the system. If a parent or guardian for any reason does not have a US government-issued ID, the school staff member can use any form of identification and manually enter the person's name into the Raptor system. The Raptor system will check to ensure that registered sexual offenders are not entering our school campuses without our knowledge. The Raptor system checks the visitor's name and date of birth for comparison with a national database of registered sex offenders. The registered sex offender database is the only official database checked by the Raptor system. No other data from the ID is gathered or recorded and the information is not shared with any outside agency. Once entry is approved, Raptor will issue a badge that identifies the visitor, the date, and the purpose of his or her visit. A visitor's badge will not be necessary for those who visit our schools simply to drop off an item in the office or pick up paperwork.

The safety and security of our students is our highest priority and the Raptor visitor management system allows us to quickly identify those that may present a danger to our students. Thank you in advance for your understanding and your support in enhancing the school safety protocols in our district.

VOLUNTEERS AND CHAPERONES

Kirkwood School District requires volunteers who may work with children without a KSD staff member present to participate in a registration process that will include a background check. For complete information on the procedures for those who wish to chaperone and or volunteer in our buildings, visit the school district's [website](#).

While volunteering in a classroom, we suggest:

1. Remember all information concerning students is strictly confidential and should not be shared with others.
2. Notify the teacher if a student tells you information that could affect his or her health or well-being.
3. Avoid interrupting teachers while they are teaching. Questions should be addressed during teacher plan time if possible.
4. Let the teacher handle discipline issues and communicate any behavior problems with the teacher.
5. Leave pre-school children at home so you can spend quality time with your child.
6. Ask any staff member for help.
7. Refrain from political or religious preferences.
8. Absolutely no drugs, alcohol or tobacco are allowed on school property.

You may wish to explore volunteer opportunities with your child's school PTO. More details are available through your school's main office.
