

Summer Camp Scholarship Application

The Kirkwood Band Booster (KB²) Scholarship was established to enable any Kirkwood School District Band student to attend music camps, clinics, or conferences to improve their music performance. Scholarship amounts will be determined when all applications are received. Scholarship applications received after the deadline will be considered only if scholarship funds are available.

Checks will be made payable to the camp or clinic so please consider this requirement when submitting your application. Alternate payment arrangements may be made if needed.

Kirkwood School District band students may apply for a KB² scholarship by completing the section below, including the signatures of the student, a parent and the band director and a copy of the application to the camp or clinic. The application must be filled out completely to receive a scholarship.

Student's Name _____

School _____ Grade Level _____

Parent(s) Names _____

Home Address _____
