What will it cost me to use EAP services?
This is a pre-paid benefit funded completely by your employer and free to you and your dependents. There will be no charge for any service covered under your EAP benefit. Should your EAP consultant recommend a referral to a specialist or longer-term care provider, the referral is made to quality providers with your best interests in mind. PAS receives no reimbursement from the outside specialist for making the referral. Your consultant may recommend self-help groups or providers that have sliding scale fees. If the provider charges a fee, the costs may be covered under your medical benefit plan. However, it is your financial responsibility to pay for services provided outside of your EAP benefit.

Who is covered under the EAP?
You and your dependent family members are covered. Should you have a question about eligibility for services, call Personal Assistance Services (PAS) at (800) 356-0845, send an email to pasadmin@paseap.com or contact your Human Resources representative.

What should I expect when I meet with an EAP consultant in-person or by phone?

Our professionals help you to sort out the areas of your life that you would like to improve and then guide you through the process of establishing and following a personal action plan. They are caring, understanding, and an excellent resource to help you achieve your goals.

What should I expect when I call the EAP?

An EAP counselor will talk with you about your personal situation, answer any questions you have about your EAP benefit and personally arrange services for you. In-person counseling, life and well-being coaching, plus a wide variety of professional services are available. We serve by connecting you with professionals that can help you improve your life.

If I use the EAP, will it be confidential?

Yes! The EAP is confidential. PAS does not provide access to EAP records to your employer nor will PAS disclose any information to anyone about your participation in EAP services unless you give your specific, written consent to do so (except as required by law).

Where will my EAP appointments take place?

Day, evening, and weekend appointments are available for in-person counseling and telephonic coaching. You will have an opportunity to choose from a variety of office locations away from the workplace for in-person counseling.
